To Whom it May Concern:

We are offering our recommendation concerning your decision to engage with 4-State Maintenance Supply in Coffeyville, Kansas.

Our school district has maintained a successful eight (8) year relationship with this company.

They employ best practices at every level of their business.

The primary focus when seeking a partner for our custodial services personnel and supply source was a company that truly serviced what it sold. 4-State has consistently followed up and followed through with their commitment.

Their unique approach to problem solving and resolution to issues is handled through person to person interaction. Individual as well as group training is provided for process and procedure, including mandatory compliance for Right-to-Know and Bloodborne Pathogen programs.

On the purchasing side, whether a turnkey gym floor refinishing is required, or, an IFB, RFP or RFQ, 4-State provides products of value at competitive prices. Again, as mentioned earlier, 4-State has a proven record of service before, during and after the sale.

Sincerely,

Chris Harvel  
Director of Infrastructure & Security

Bob Fancher
